

Neighborhood Canvassers

Customer Outreach Representatives working in teams to generate leads for our sales staff by offering home owners the opportunity to obtain a free no-obligation service quote and lawn care advice.

No selling is required, but this is a great opportunity for those looking to get started in the field of sales or business and is a great opportunity for students.

Working hours are Monday through Thursday 4:00-8:00 p.m. and Saturday 10:00 a.m. - 2:00 p.m.

Please don't hesitate to contact us at (413) 736-9333 or springfield.ma@weedmanusa.com
