

Lawn Care Technicians:

Our specialists are responsible for providing proper fertilization and control applications to lawns while working with the customer to improve cultural care of their lawn.

Service representatives care for our customers' lawns throughout the Springfield Hartford area, developing relationships with the customers on their route as they provide full lawn care services throughout the growing season.

This position requires outstanding customer service skills, excellent driving record and the ability to work with minimum supervision. Earning potential from \$600-\$900 per week.

Please don't hesitate to contact us at (413) 736-9333 or springfield.ma@weedmanusa.com

We look forward to meeting you!
